

5th Feb 2015

TO WHOMSOEVER IT MAY CONCERN

We have been using the Duel fuel system supplied by M/s Control Infotech Pvt. Ltd.
Installed on Cummins 140 KVA engine since Aug 2014.

The said unit is operational on our CNG filling station located at NH2, Mathura.

We are extremely satisfied with the performance and excellent services being offered
by M/s Control Infotech Pvt. Ltd.

We wish them all success.

Thanking you

Yours sincerely

E. Poomari

(Chief Operating Officer)
